Friday, 10th September 2021
“Chamber Question Time”

We are pleased to announce the resumption of our popular Chamber business networking breakfasts. An expert panel drawn from leading decision-makers in the East Kent coastal business community will answer questions on a wide range of issues.

Delegates can expect to hear informed responses and opinions about infrastructure development, business opportunities, education, event management, profitable trading and other topics that impact directly on East Kent. With ample networking time available, the event is expected to attract many potential clients from among the other delegates.

The price of £18 for Chamber members and their guests includes a hot drink on arrival and a full English breakfast with a vegetarian or vegan option. Booking is essential. To reserve your place, email admin@tekc.co.uk with the subject line: “Chamber Question Time 10th September 2021”

Full details of the venue near Sandwich will follow with confirmation. A limited number of places will be available for non-members at a premium.
