Dear Member

Re: East Kent Business Directory & Chamber Diary 2022
In association with Thanet & East Kent Chamber Ltd

We are pleased to advise you that the Chamber will again be publishing the East Kent Business Directory, featuring a detailed 2022 diary, casebound with brass corners, which provides a handsome addition throughout the year on any business leader's desktop. The 2022 edition will follow the same successful format of 2021 and will include an alphabetical list of Chamber member companies together with an additional classified section interspersed with full-colour adverts on 260mm x 210mm special gloss paper.

Bringing together ambitious companies from almost every sector of our local economy, the publication is now recognized as a definitive guide to East Kent business contacts and suppliers. All Chamber members qualify for a basic entry. Special discount terms are available for advertisements paid in full within 7 days by BACS. Full payment for all advertisers is required on or before 20th September 2021.

Advert Size	Rate	Discount offered	Discounted Rate
One-quarter of a page	£300.00	£30.00	£270.00
One-half of a page	£550.00	£50.00	£500.00
Full page	£800.00	£100.00	£700.00

As last year, our office will be contacting you on a regular basis to discuss how we can best promote your company through our activities, publications and events. All companies advertising in the East Kent Business Directory will be offered a free advert on our 2022 Chamber website.

It's happening now, it's happening in East Kent.

Yours faithfully

David Foley
Chief Executive
