## Press Release

### Jaguar Sponsors Chamber Golf Day

The East Kent Chambers of Commerce are pleased to announce that Barretts Jaguar Canterbury will be sponsoring the 11<sup>th</sup> Annual Chamber Golf Day scheduled for 20<sup>th</sup> October 2015 in Sandwich. Business leaders from the East Kent coastal business community will compete for a glittering array of prizes that now includes a new Jaguar XE 2.0i SE, widely acknowledged to be the most advanced, efficient and refined sports saloon car that Jaguar has ever produced. The first of a new generation of cars to be launched on Jaguar's state-of-the-art all-new Aluminium Intensive Architecture, the XE is inspired by the F-Type and is bristling with the latest innovation, technology and design.

Hosted by the Royal St George's Golf Club Sandwich, the Golf Day will see Chamber members walk the fairways graced by Tiger Woods, Rory McIlroy, Jack Nicklaus and all the world's great golfers since 1894 when John Henry Taylor won the first of the 14 Open Championships held at this prestigious links course.

Simon Etheridge, Local Business Development Manager at Barretts Jaguar Canterbury said: "We are delighted to sponsor the 2015 Chamber Golf Day and welcome the opportunity to work closely with Chamber members throughout the East Kent coastal business community. The Dover and Thanet Chambers have a long history of supporting local companies and we look forward to strengthening our ties with key decision-makers in local business."

Chamber Chief Executive David Foley said: "Since Robert George Barrett first opened for business in Canterbury in 1902, Barretts has been synonymous with excellent service and customer care. As an official business partner of Barretts Jaguar, we very much welcome this close association with one of East Kent's best known companies and Jaguar's most advanced sports saloon car".
