David Foley

26th November 2018

Select Committees: Live Treasury Committee

Treasury committee session on the UK's economic relationship with the European Union.

“The core of the financial system is resilient and is ready for BREXIT in whatever form it takes.”

“ I had the fortune to go down to Dover and to talk to people there about what was happening”.

“People will misrepresent what the bank says and what others say, as the governor says, for their own prize. I don't think when happens I'm not so sure that is in the interests of anybody or in the interests of a sensible debate. But I think that's what happens. We write, they have to learn to read”.
